**Making a Difference!**

The District of Victoria Eastern have made a \$6000 donation to the Doncaster East charity Heartwell Foundation, which works with disabled children. Heartwell director Scott Taylor said “the contribution would help the foundation, which does not receive government funding, in providing specialist physical education and rehabilitation programs to children living with varying levels of need that otherwise would not have access to such services.”

V:III: Bro. Steve Ruglen presented a cheque to Mr Taylor at a meeting of the Ringwood Sovereign Chapter on 30 January 2018. This is a wonderful donation to a deserving organisation providing essential services within our community- very well done to all involved.
